

ENJOY THE TRADITIONAL ELEGANCE OF THE GENUINE, AUTHENTIC COLONIST® FROM CRAFTMASTER®

- **Precision craftsmanship, backed by a quarter century of market leadership, distinguishes Colonist from imitations.**
- This classic design dresses up any room.
- Made from molded high-density fiberboard, Colonist resists shrinking, swelling, cracking and joint separation.
- Engineered wood design outperforms wood doors while offering superior value.
- Make doors a profitable upgrade by offering homebuyers a choice from the CraftMaster line.
- Available in standard 6'8", 7', and 8' passage and bifold sizes.
- Choose pine wood grain texture or a smooth finish to best complement your interiors.

There is only one CraftMaster and it's the #1 brand of molded interior door designs worldwide.

COLONIST DESIGN OFFERS TRADITIONAL SIZING STYLE AND AN AMAZING SELECTION

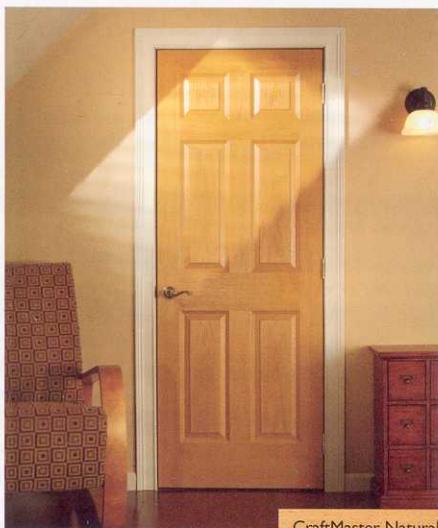

COLONIST®

Pine woodgrain texture or smooth finish.

- Precision craftsmanship and more than a quarter century of market and design leadership distinguish the original and authentic Colonist from imitations.
- This classic design dresses up any room.
- Available in standard 6'8", 7'0", and 8'0" passage and bifold sizes.

COLONIST® FINISHED WHITE

Pine wood grain texture.

CraftMaster Natural®

PRE-STAINED

Pine woodgrain texture

Due to the use of a protective topcoat sealer, pre-stained and finished white door designs cannot be repainted without fully removing the topcoat sealer.

COLONIST® COMMERCIAL SMOOTH

- Adds style and warmth to any commercial project.
- Fits most standard commercial hardware, including door closers, exit devices, kick plates, and card and mortise locks.
- Ideal for hotels, healthcare facilities and office buildings.
- Available for 3'0" openings in 6'8" and 7'0" heights.
