We work wonders with water.™

What if a shower felt like a warm luxurious bath?

H2Okinetic Technology™

Delta Faucet Company has reinvented the showering experience — creating a warmer, more luxurious spray that blankets the body (while using less water).

What if faucets didn't lose their shine?

Brilliance® Finishes

Delta invented a technology that guarantees your finish will never tarnish, dull or corrode.

What if people were never surprised in the shower?

Scald Guard®

Delta invented a technology that keeps water from abruptly changing temperature.

What if everything was within reach?

Pull-out and Pull-down Faucets

Delta invented the pull-out and pull-down faucet market and continues to provide stylish and functional options to meet every lifestyle.
